## Brochure and Shipping Price Policy

When your Organization is ready to move forward with their fundraiser, you can contact us to receive your complementary brochures. We will provide at no charge the requested amount of Black and White brochures to get your fundraiser off the ground. If a full Color Brochure is requested, a charge of \$.75 cents per brochure will be due at the time of request.

If your fundraiser generates a 1:1 ratio of any brochures to mixes sold, it will qualify for FREE shipping or delivery of the final order.

Example:

If 100 Brochures are sent, your final order must be a minimum of 100 mixes to qualify for free shipping.

If your Fundraiser does not qualify for free shipping or delivery, the shipping/delivery cost will be added to your final order. The cost of shipping varies per your location and the amount of product to be sent. All of our shipping is through the United States Postal Service Priority Mail.

Payment Options:

We accept checks, money order, or cashier's check. Credit cards will be charged an additional 5% fee.

If there are any questions moving forward, please feel free to contact us.
